---

**JOINT REPORT OF FIRST MEDIATION CONFERENCE**

---

COME NOW Plaintiffs SNMP Research, Inc. ("SNMP Research") and SNMP Research International, Inc. ("SNMP Research International") (collectively, "Plaintiffs") and Defendants Extreme Networks, Inc. ("Extreme"), Broadcom Inc., and Brocade Communications Systems LLC (collectively, "Broadcom/Brocade") by the undersigned counsel and submit this joint report of the parties' first mediation conference pursuant to the Court's September 26, 2022 Order [Doc. 206] (the "September 26, 2022 Order").

The parties hereby report to the Court as follows:

The parties agreed upon a mediator, the Hon J. Gandhi, and conducted their first two days of mediation on January 19 and 20, 2023, in person in Nashville, Tennessee. After two full days of mediation, the parties were unable to resolve any of the claims in this matter. The parties further report that they conducted, remotely, three additional days of mediation on January 24-26. Plaintiffs and Broadcom/Brocade continued to mediate through January 30. Plaintiffs were able to reach a settlement with Broadcom/Brocade that still needs to be documented. No settlement

was reached with Extreme. The parties' mediation is now complete. The Court may contact Judge Gandhi for additional information if desired (contact information listed on JAMS' website, <https://www.jamsadr.com/gandhi/>, and can be provided by the parties).

Respectfully submitted this 1<sup>st</sup> day of February 2023.
